

DRISS FREAH

FullStack Web Developer

ABOUT ME

I'm a **20-year-old web developer** passionate about building **user-friendly applications and writing clean**, efficient code. Skilled in **front-end and back-end development**, I thrive on problem-solving, learning, and collaborating within a tech-driven team to create impactful digital solutions.

EDUCATION

Web Development Bootcamp @ Le wagon

November 2022 - July 2023

- 9 weeks at Le Wagon Full Stack Web Development bootcamp.

PROFESSIONAL CERTIFICATES

Web Application Designer - RNCP level 6

French state diploma equivalent to a bac+3 or bac+4 level diploma

July 2023

- **UX/UI Design & Research:** Proficient in **Figma** for wireframing, prototyping, and **UX/UI** research to enhance usability.
- **Web Development & Deployment:** Skilled in **Ruby on Rails** for full-stack development and deploying applications on Heroku.
- **Agile & Collaboration:** Proficient working in **Agile/SCRUM** environments to develop user-centric digital products.

PROFESSIONAL EXPERIENCES

Teacher / lecturer @ Le wagon

(Feb / 2024-today)

- Taught **UX/UI design (Figma, user research, prototyping)** and full-stack web development (**HTML, CSS, JavaScript, Ruby on Rails**).
- Provided hands-on training in **Heroku deployment**, best coding practices, and project development.

Batch manager @ Le wagon

(Feb / 2024)

- Co-managed a **9-week web development bootcamp** for 30+ students, providing mentorship, **overseeing projects**, and ensuring a hands-on learning experience in **full-stack development and UX/UI design**.
